School experiences

SPM Group Project developer, Ngee Ann Polytechnic

(Jun – Aug 2024)

- Collaborated as a developer on a city-building game using C#, applying Scrum practices to ensure timely delivery of project milestones.
- Participated in sprint reviews and retrospectives, enhancing teamwork and communication within the development team.
- Conducted thorough testing and debugging to ensure a seamless user experience, leading to improved game performance and user satisfaction.

FSDP Group Project developer, Ngee Ann Polytechnic

(Oct – Nov 2024)

- Developed an ATM interface with enhanced features aimed at improving user experience and transaction efficiency for OCBC.

- Implemented a feedback system allowing users to rate the ATM interface, with notifications triggered to their app for further feedback if the rating was 2/5 or below, enabling timely improvements based on customer input.

Work Experience

F&B Service Crew, Mount Faber Leisure Group

(Feb 2023 – Apr 2023)

- Demonstrated teamwork and communication skills by collaborating with team members and resolving issues, ensuring smooth service delivery.
- Assisted with food preparation and worked efficiently with team members to handle high customer volumes, especially during peak tourist hours.

Retail Assistant, Bee Cheng Hiang

(Dec 2022 - Feb 2023)

- Leveraged customer service skills to promote products effectively
- Developed strong communication and multitasking skills while working in a dynamic, fast-paced environment.

Co-curricular Activities and Community Service

Coding Games for Kids Befriender

(5 Jun & 18 Jun 2024)

- Engaged children in coding games, fostering a fun and interactive learning environment.
- Ensured a safe and supportive atmosphere for children to explore coding concepts.
- Provided guidance and assistance to help children understand coding fundamentals and develop their problem-solving skills.

NPCC Head of Logistics, West Spring Secondary School

(2021-2022)

- Trained and supervised junior members, fostering teamwork and leadership skills within the group.
- Led the logistics team in organizing and coordinating events, ensuring all materials and resources were prepared and available.

Languages

- English (Native / Bilingual Proficiency)
- Chinese (Professional Working Proficiency)
